

North Plains Elephant Garlic Festival

Dear Sponsor,

The North Plains Events Association, a non-profit organization, is preparing to celebrate the 23rd annual Elephant Garlic Festival, August 13, 14, 15, 2021; this year's theme is "Life, Liberty and the Pursuit of Garlic"

The Elephant Garlic Festival attracts over 20,000 people to North Plains and generates continued growth and enthusiasm for our community. This three-day festival is North Plains' "**Signature**" event; it immerses people in a diverse selection of entertainment, food, arts, music and **GARLIC**. Some highlights of the festival are:

Handcrafted Art

Beer & Wine Garden

Various Food Booths

Parade

Music & Entertainment

Car Show

The 2019 Elephant Garlic Festival was the largest attended festival we have had since the beginning of the event. We attribute the success to you our sponsors who make this festival as great as it is year after year with their financial support. Our vendors and our festival attendees every year let us know that they so appreciate the work and effort that goes into making this event so successful.

The festival is a collaborative effort between the North Plains Events Association and the City of North Plains. Organizations such as the North Plains Knights of Pythias and the North Plains Christian Church provide numerous volunteers who make this premier festival possible. The festival proudly supports the local economic community, as well as charitable organizations.

According to Reuters, the North Plains Elephant Garlic festival is rated 10th in the top ten garlic festivals around the world. In 2012, the Washington County Visitors Association awarded the North Plains Elephant Garlic festival the **Essence of Washington County Events & Festivals** award for its outstanding contributions to the Washington County tourism industry.

As we continue to strive to make each year better, we must reach out to you for your financial support. We know that this past year has been overwhelmingly very hard for everyone and your sponsorship is important and will allow us to continue creating an atmosphere that is fun, positive and family friendly. We are very proud of our festival and we welcome the opportunity to highlight your business during this year's event.

The North Plains Events Association would appreciate your financial support for the 2021 North Plains Elephant Garlic Festival. ***Our success is your success.***

Sincerely,

Patti Burns
