

# North Plains Elephant Garlic Festival

Hello Sponsor,

The North Plains Events Association, a non-profit organization, is preparing to celebrate the 27th annual Elephant Garlic Festival, August 8, 9, 10, 2025.

The Elephant Garlic Festival attracts over 30,000 people to North Plains and generates continued growth and enthusiasm for our community. This three-day festival is North Plains' "**Signature**" event; it immerses people in a diverse selection of entertainment, food, arts, music, and **GARLIC**. Some highlights of the festival are:

**Handcrafted Art  
Beer & Wine Garden**

**Various Food Booths  
Parade**

**Music & Entertainment  
Car Show**

The 2024 Elephant Garlic Festival was one of the largest attended festivals we have had since the beginning of the event. We attribute the success to you, our sponsors, who make this festival as great as it is year after year with their financial support. Our vendors and our festival attendees every year let us know that they so appreciate the work and effort that goes into making this event so successful.

The festival is a collaborative effort between the North Plains Events Association and the City of North Plains. Organizations such as the North Plains Knights of Pythias and the North Plains Christian Church provide numerous volunteers who make this premier festival possible. The festival proudly supports the local economic community, as well as charitable organizations and gives back to the community through the success of this wonderful event.

As we continue to strive to make each year better, we must reach out to you for your financial support. We are immensely proud of our festival, and we welcome the opportunity to highlight your business during this year's event.

Great community partners are especially important to the success of our annual festival, and it is because of individuals and businesses like you that we have been able to continue our mission for the last 26 years!

The North Plains Events Association would appreciate your financial support for the 2025 North Plains Elephant Garlic Festival. ***Our success is your success.***

Sincerely,

Patti Burns

Festival Coordinator
